

REMARKS

In light of the remarks to follow, reconsideration and allowance of this application are respectfully requested.

Claims 1-56 are pending in this application.

Claims 4, 11, 19, 29, 37, 43, 49 and 55 were objected to because of various informalities. Claims 4, 11, 19, 29, 37, 43, 49 and 55 have been amended to provide an antecedent basis for the "main information" limitation. Accordingly, this objection has been overcome.

Claims 1-56 were rejected under 35 U.S.C. §103(a) as being unpatentable over Benjamin et al. (U.S. Patent 6,721,489) in view of Marko et al. (U.S. Patent 6,564,003).

The present claims now recite "said additional information including at least information of an artist of the audio program, an identifier of the digital radio broadcast, a broadcast time stamp, and lyrics of the audio program." (Claim 1; all independent claims contain similar limitations) This limitation is supported by the description of the additional information provided on page 2 of the specification. Applicants respectfully assert that neither Benjamin or Marko discloses analogous additional information which includes a broadcast identifier, a time stamp, or lyrics as required in the present claims. The claims also recite "the key information comprising a program category preset by a user." (Claim 1; all independent claims contain similar limitations) This limitation is supported by the description of the key information provided on page 16 of the specification. Applicants respectfully assert that neither Benjamin or Marko discloses analogous key information which includes a program category preset by a user as required in the present claims. Accordingly, for at least

these reason, Benyamin and Marko fail to obviate the present invention, and the rejected claims should now be allowed.

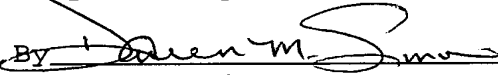

As it is believed that all of the rejections set forth in the Official Action have been fully met, favorable reconsideration and allowance are earnestly solicited.

If, however, for any reason the Examiner does not believe that such action can be taken at this time, it is respectfully requested that he/she telephone applicant's attorney at (908) 654-5000 in order to overcome any additional objections which he might have.

If there are any additional charges in connection with this requested amendment, the Examiner is authorized to charge Deposit Account No. 12-1095.

Dated: June 5, 2007

Respectfully submitted,

By
